Term: The RWS Radon Protection Plan Plus is offered by RWS in cooperation with your qualified radon test provider. This plan is only valid if your radon test provider is currently enrolled in the plan, an active mitigation system is installed in your home at the time of the home inspection, and the results of a recent radon inspection come back under 4.0 PCi/L. Coverage is offered for a period of 1 year following the full home inspection.

Coverage: This plan is only applicable to properties where both of the following conditions are met;

1. This test is the first and only test done in the preceding six month period at this property.
2. The results came back under 4.0 PCi/L (200 Bq/m in Canada).

Covered Repairs: Beginning the day of the radon test and extending for a period of 120 days thereafter, RWS guarantees your radon levels to be under 4.0 PCi/L (200 Bq/m in Canada). If at any time during that 120 day period (or an extension period as defined below) another test is performed by a duly licensed professional and the levels come back at 4.0 PCi/L or higher (200 Bq/m in Canada), RWS will pay the cost of mitigation up to \$1200 and after a service call fee of \$250 is met.

When a second test is performed, RWS reserves the right to perform an additional test to confirm the validity of such results at its own expense. Such a test will be either a CRM (Continuous Radon Monitor) or an Alpha Track long term test, the results of which will be accepted by all parties.

Exclusions: RWS shall not be responsible for the cost of mitigation under the following circumstances;

The original test was not the first test within a 6 month time period, the original test came in at 4.0 PCi/L or above (200 Bq/m in Canada), or the first test was not performed by a qualified radon test provider currently enrolled in the Radon Protection Plan with RWS. The property has been modified between the first test and the second test. A confirmation test is performed at RWS' expense and the results come in under 4.0 PCi/L (200 Bq/m in Canada); or

Any fraud or misrepresentation occurs.

Claim Procedures: Written Notification of claim including items 1, 2 and 3 must be received by RWS prior to expiration. All claims shall be made by the buyer of record only after they have taken possession of the home and must be received within 120 days of the inspection or within 22 days of closing, whichever comes later.
